Filed: December 15, 2000
For: Software Verification and Authentication
Our Ref.: 3113/FBR (031035-87554)

Dear Eugene:

Hi, it has been a long time since I have seen you or anybody else at the former Nugame.

As you will hopefully recall, I helped draft and supervised the drafting of the original priority U.S. Provisional Application which was assigned along with foreign counterparts of the application to Aristocrat. I also met you very briefly when I visited Nugame's (back then) office, although we talked on the phone and faxed drafts back and forth.

As the application which we filed was a "provisional" patent application, no Declaration and Power of Attorney was necessary and was not filed. However, this application was assigned by you to Nugame, which, in turn, assigned it to Aristocrat Leisure Industries, which later changed its name to Aristocrat Technologies Australia Pty Ltd.

Subsequently, a PCT Application was filed by applicant Aristocrat Technologies Australia Pty Ltd.

As you know, sometime after the assignment of the provisional application from Nugame to Aristocrat, Nugame closed its doors and is now defunct, with no traceable phone number or office - although, I believe, Mike Farnham, the former CEO is still in Las Vegas.

I have been trying extensively to find you through searches in web databases, calls to the telephone company and directory assistance, as well as calling Farnham, who advised me that he is not aware of the whereabouts of the inventors.

However, just on the chance that I MAY find you, I am enclosing with this letter, a Declaration and Power of Attorneys for the U.S. Application (enclosed) which represents the "national phase" entry of the PCT application.

We need to have you sign and date the Declaration on page 2 and return it to us in the enclosed,
